[SCENE - COMPLETE BLACK SCREEN]

*You find yourself walking aimlessly in a sparse forest, the sun rays dancing around onto the lush blades of grass and the strong aroma of an assortment of wildflowers infiltrates your nose. As you wander further into the forest, a tall, slender figure emerges from the trees and extends a welcoming hand out to you. You could immediately feel the warmth that radiated from his smile. His attire displays an impression of importance and regality, a red velvet cape follows his shadow. He approaches you with such gentle poise and introduces himself as your-*

Violet: Prince Charming...

[SFX - ALARM]

Violet: AGH!

[SCENE - CUT TO BEDROOM OPENING SCENE]

*You spring up from bed, half awake and notice that you have 2 missed calls and an ongoing call from your friend Elijah.*

Violet: G-Good morning! Sorry I'm almost there Eli! Aha

*You leap out of the comfort of your sheets and stumble towards your dresser*

Elijah: Girl, I know damn well you just woke up now. You really need to fix that sleep schedule because passing out at 3AM can't be that good for you.

Violet: This is the last time I promise! Sortaaaaa... I was finishing up the 5th to last episode of this romance series about a princess locked away and escaping to find her prince. Just 5 more episodes to go and I can go back to doing whatever again!

Elijah: That's another fat lie, you're gonna click on another series and start this cycle again

Violet: Hehe

Elijah: Anyways, what're you wearing for today?

**CHOICE:**

**Casual - I'm wearing my green shirt and miniskirt**

*You feel cute and comfortable in this outfit*

**Doll yourself up - I'm gonna attempt to look nice today, I have a new dress I wanna try on but I think it's a bit too short...**

*You feel confident, but weary about this outfit*

*Just as you open the door, you can't help but have a bad feeling about today.*

*You go to enter the cafe when all off a sudden a calico cat appears out of nowhere*

(If players click on the cat this will count towards Violet's secret dialogue)

Violet: Awh....Hi baby aren't you the cutest!!!! :3

*You bend down to stroke the cat and it begins to pur!! You feel like you could melt away*

Violet: As much as i'd love to stay I've got places to be

[SFX - STAFF WORKING BACKGROUND NOISES]

*A few minutes go by as you sit and stare at the hot chocolate in front of you going cold. You try to distract yourself from the fact that Elijah is late once again... Looking around you see all the yummy pastries just waiting on the side wishing they were in your belly right now, some cute little jellyfish lights which look so magical and...*

[SFX - PHONE BUZZING]

Violet: AGH! Oh um

*you blush hoping no one just heard you letting out that yelp. You look down to see messages from Elijah.*

SUGGESTION: do we wanna make art displaying these text messages rather than a blank screen?

*Heyyyy so dont hate me but I'm not coming.  
Insteadddd I've set you up on a blind date! Ta Daaaaa!  
Anyways STAY WHERE YOU ARE! Love ya <3*

[SFX -VIOLET LET'S OUT A SIGH]

Violet: Why Eli?????

*As you debate whether or not to leave the cafe you hear a voice*

[SFX - STEPS WALKING TOWARDS HER]

???: So you must be the famous Violet..

*You look up from your phone to be met with this random stranger smirking at you*

Violet: Ugh yes, sorry who are you?

???: Name's Yami

[SFX - PULLING OF CHAIR]

*Before you can say anything more Yami sits down in front of you placing his coffee down and looking up at you.. You can already feel the intensity from his gaze.*

Violet: Well nice to meet you Yami, sorry I was not prepared for this at all

Yami: Don't worry about that we're here now that's all that matters

Violet: Yeah anyways as you know my name is Vio-

Yami: I was standing alone here for 10 minutes, I was worried I was going to be stood up! Can you imagine how embarrassing that would've been for me? So how are you?

*Yami lets out a light chuckle*

*Did he just interrupt me? Rude but ok maybe it's just first date nerves.*

### **CHOICE:**

**Appeal to Yami - Good now that you're here.**

*Yami smirks at you*

**Neutral Response - I'm good thank you, you?**

*Yami doesn't even react to you it's like he's not even listening*

**Irritate Yami - Well I have been better but I'm fine.**

*Yami Frowns*

Yami: I've had a bit of a morning, you know when you look this good you have all these agencies trying to book you.

*He looks at you waiting for a response but before you can even say a word he continues*

Yami: I mean you probably wouldn't know, but that's ok we all start somewhere

*He chuckles*

*You frown annoyed by the comment you decide to dismiss the comment and try to keep a straight face but you'll keep this in mind when he next says anything*

Yami: I'm joking pretty lady just relax

**CHOICE:**

**Appeal to Yami:** Awhh so you do think I'm pretty

*Yami smirks a twinkle in his eye*

**Neutral Response:** I'm all relaxed don't you worry

*Yami just looks at you*

**Irritate Yami:** Oh so now you think I'm pretty? Funny way of showing it

*Yami Frowns and looks very taken aback*

Yami: So what do you think of me?

*Oh god is he really asking me this*

**CHOICE:**

**Appeal to Yami:** I'm not surprised you're a model look at you

*Yami blushes and lets out a chuckle*

**Neutral Response:** You seem very nice

*Yami smiles but nothing more nothing less*

**Irritate Yami:** Don't think you need me to inflate your ego anymore

*Yami looks at you with disgust and looks off*

*You take a closer look at Yami, his long, sweeping eyelashes complimenting his androgynous features. There's a subtle elegance in each flick of his lashes framing his slender eyes, yet a glint of undying certitude emanates. The dappled light filters through the seashell-peppered drapes, casting a soft glow on his golden brown stylishly cut layers. You take a quick glance at his attire and notice that he's decked out in designer brands, each piece adding to his powerful presence. It's like you're living two completely different worlds. His looks are other worldly, almost mesmerising. It's no wonder he's a model, but there's one thing that you can't get over-*

Yami: Like what you see? I don't blame you, if I could make money off my looks, I would- oh wait, I do!

*Yami pulls a cheeky smirk and winks flirtatiously at you*

*He's totally full of himself!*

*All of sudden the waiter brings over the yummiest (cake) and places it down in front of you. You look at Yami wondering if he had ordered as a little gift, but he looks at you just as confused. The waiter catches onto the confused expressions. \*If hint is clicked within the time\**

[SFX -HINT]

Waiter: Sorry I think there's been a mix up

*The waiter picks up the cake and takes it off*

Violet: That was odd aha

Yami: You should have said it was yours

Violet: I could never, that was someone else's ord-

Yami: I would have

*It goes silent for a second as this is the SECOND time he's interrupted you*

[SFX - VIOLET SIGHS]

Yami: Have I done something?

Violet: No no don't worry..

Yami: Hm ok, I didn't think so

*Wow I didn't think he could get anymore ignorant but wait he just did. The urge to want to roll my eyes is unbearable right now.*

Yami: You'll never guess what I got asked to do this week

Violet: Um wha-

Yami: I got asked to model for IMG models, pretty impressive am I right?

*Ugh is he only going to talk about himself on this date*

**CHOICE:**

**Appeal to Yami: That's amazing, clearly you're a hot shot**

*Yami smirks looking very pleased with himself*

**Neutral response: Oh that's cool! Well done**

*Yami smiles at you*

**Irritate Yami: I guess so**

*Yami frowns and scoffs at you*

Violet: I actually really like fashion, maybe you could give me some tips?

*Yami's eyes twinkle*

Yami: I thought you'd never ask

Yami: To be honest though some people just get fashion and well others just don't...

*Yami looks you up and down..Is he seriously looking at me when saying that.*

Yami: But I guess if I had to give you some tips it would be to figure out your own colour palette whether your cold, warm or neutral tones always helps.

Yami: And then there's a whole other route of finding out what season you are in colour terms of course.

*Hmm so he can actually be helpful..If only he was like this the whole time..*

Violet: Well thank you very much mister top model

*Yami smirks*

Yami: What can I say I'm an all rounder

[SFX - VIOLET SIGHS]

Violet: I feel like I've gotten to know about you, soo how about I tell you a little about me?

Yami: I guess..

*Yami appears as though he really couldn't care less about what you had to say and you can tell he's just waiting for the perfect moment to interrupt.*

Violet: Well I loveeee and I mean love watching classic romance films

*Yami yawns*

Yami: Oh yeah..?

*Wow ok last time I ever talk about myself geez*

Violet: Anywayy..what do you like to watch?

Yami: Oh I don't like to waste my time watching films, I'd much rather be starring in them you know because I'm a model I could easily land myself an acting role

*Yami smirks*

**CHOICE:**

**Appeal to Yami: I could definitely see you in a romance film, the hot, sexy model**

*Yami chuckles and smirks at you*

**Neutral Response: I'm sure you'd do great!**

*Yami smiles*

**Irritate Yami: You know not everything has to involve you right?**

*Yami frowns and looks agitated*

Violet: Sooo, what you drinking it looks nice?

Yami: It's a latte with sugar free vanilla, sophisticated but have to watch the calories can't be ruining a hot bod like mine.

Yami: What about yours? It looks like something a kid would order..and all that sugar

*Yami almost gags at the sight of your drink*

**CHOICE:**

**Appeal to Yami: Yeah I guess you're right I never thought about it like that**

*Yami smiles as once again he is "right"*

**Neutral Response: Oh I always get a hot chocolate**

*Yami just stares at you with no expression*

**Irritate Yami: Lighten up a bit it's only a hot chocolate with whip cream and marshmallows geez**

*Yami frowns as he's taken aback by your comment*

*At this point I don't even know why HE let alone myself agreed to go on this date...*

Yami: You know I don't normally do this but you're actually quite pretty, you'd definitely look good on the side of me

*Oh..I was not expecting that but also on the side?? So he can just disregard me when he's done??*

*But why did that lowkey give me butterflies?? You begin to enter daydream land where he would sweep you off your feet and off into the sunset...*

Yami: Earth to miss princess over there?

*You snap back into reality and feel yourself blushing a nice shade of rouge..*

[SFX - VIOLET COUGHS]

Violet: OMG sorry aha

Yami: I mean you should be sorry your over there in daydream land when you have a literal goddess in front of you, money is time sweetheart and I'm on a tight schedule

*Well that didn't last very long did it...*

*All of a sudden the room glitches to a red version of the cafe, and Yami just stares into your soul*

[MUSIC - CUTS]

Yami: You know you should be careful with people like me, you really shouldn't be meeting with random strangers you don't know

*Yami smirks at you but it's not the same as it was before*

### **CHOICE:**

**Appeal to Yami:** Oh you play to much aha you're a big softy really

*Yami smirks while he stares into your soul*

**Neutral Response:** Um aha I don't think you should say that on a first date..

*Yami stares at you never breaking eye contact*

**Irritate Yami:** What the hell? Who do you think you're talking to like that!

*Yami frowns as he stares into your soul*

*Room flicks back to normal*

**WHAT ON EARTH WAS THAT**

Yami: Is something the matter beautiful?

*No way is he just acting like nothing just happened, I literally saw that with my own two eyes. Your eyes dart around the room to see if anyone else witnessed what you just did but alas nothing, just couples enjoying their cakes and drinks*

[VIOLET LET'S OUT A GROAN]

*I really need to start going to bed earlier*

Violet: Uh- oh.. no nothing, don't worry just lack of sleep

*Yami smirks*

Yami: No worries, maybe we should wrap this up?

Violet: Yeah, maybe that would be for the best

[SFX - CHAIRS MOVING]

Yami: Violet before you go...I have something to ask you

*Oh god not another thing just let me goooo*

Violet: Yes Yami?

Yami: I was thinking, me, you another date?

*Yami smirks*

### **CHOICE:**

**Go on another date with Yami: I mean sure why not it couldn't hurt to do so**

*Yami smirks, and reaches out for your hand*

**Free yourself from Yami: Um It's going to have to be a no..you were just not it**

*Yami scoffs and turns his back on you and leaves*

**If you chose to go on another date with Yami this is where you come to the end of the road**

***After your second date with Yami you are left absolutely drained, physically and mentally. You decided it's way better to rot in bed watching rom coms than trying to be in one yourself!***

**ENDING 1**

**If you chose to free yourself from Yami, well done for sticking up for yourself!**  
*After your date with Yami you couldn't shake the weird occurrence that happened and so your first protocol was to of course debrief Eli.*
